The gymnastics industry is very different than most jobs, there is no 9-5 workday. We don't usually have a lot of classes in the morning. Our most popular classes are in the evening, usually from 4:15-7:30ish Monday through Thursday and 9-12 on Saturdays. We can only give you classes that children sign up for. We try our best to assign coaches a block of time but it doesn't always happen. 15 hours per week would be the most we could give. How many hours per week are you looking to work?
